

FEE POLICY AND SCHEDULE 2020

INTRODUCTION

Victory Christian College is dedicated to providing quality, caring, affordable, Christian education to the Bendigo and surrounding district community. The College is an independent school which receives Federal and State Government funding but requires payment of fees by parents to ensure the continued day to day operation of the College, and to contribute to capital improvement of facilities.

In line with the College policy to provide an affordable Christian education, fees are kept to an amount that is manageable for most family incomes. Substantial discounts on tuition fees are offered for the second and subsequent children enrolled in the College.

PAYMENT OF FEES

Tuition fees and levies are invoiced in November for the following year. Upon commencement of the school year, families are required to be on a fortnightly direct debit payment plan. The payment plan consists of 21 fortnightly instalments and commences on the first Thursday in February and ends mid-November. An additional payment, if required, will be made at the end of November to clear any outstanding balance.

Victory Christian College requires that fees are:

- Paid in fortnightly instalments via direct debit, with the amount advised in writing by the Finance Department.
- Payments made on a weekly or monthly basis are permitted by prior arrangement with the Business Manager.
- Failure to pay annual fees may result in cancellation of enrolment and/or accounts being forwarded to a debt recovery agency. In this instance, families will be responsible for all associated costs.
- Statements are emailed monthly.
- The College does not discount fees because of student absence or family holidays.
- School camps and overseas experiences are charged out on a 'break-even' basis. As such, accounts should be up to date, to guarantee participation.
- Fees are expected to be paid in full by the 30th of November of each school year.
- Families experiencing temporary difficulty in paying College fees, are asked to please contact the Finance Office immediately.

ADEQUATE NOTICE PERIOD

- **One term's notice is required when a child leaves the College:-**

Special Needs Fee Rebate

The College recognises that, in response to exceptional financial circumstances or family situations, some families may experience temporary difficulty in paying their tuition fees. Where this situation arises, families can apply for 'Special Needs' rebate assistance. In these circumstances the College requires the completion of a detailed financial questionnaire, along with attendance at a financial interview involving the Business Manager and/or Principal.

Once pertinent financial information and family circumstances are ascertained, the application is submitted to the College Board who assess each application. The Board's decision is final. Following the Board's approval, the Special Needs Fee Rebate will be applied to the family's account with the College. This rebate is regarded as a temporary measure and will be adjusted as changes in circumstances permit. This rebate is for the year of application only. Applications for 'Special Needs Fee Rebate' will be considered by the Board as the need arises, but no more than once per term.

When considering rebate applications, the Board must follow guidelines set to ensure a fair and equitable distribution of rebate allocation. The Board can give up to a maximum rebate of 30% on Tuition Fees.

Families receiving fee rebates are expected to meet their payment schedule, which will be set in consultation between the family and the College's Finance Office.

VOLUNTEER HELPERS' POLICY

It has long been recognised that the assistance of parents helps to enhance our College Programs. Assistance includes listening to children reading, Library work, canteen roster, committee & sub-committee membership, supervision on sports days, camps, excursions, and participation in Parent and Friends activities.

The Policy, which is reviewed annually, defines the number of volunteer hours from each family, and provides a range of approved activities through which families can be involved to provide assistance. The time involvement for 2020 is set at 10 hours per annum from each family, at a set rate of \$20.00 per hour; a maximum of \$200. This amount is credited off accounts, as parents participate in activities such as those listed above.

Volunteer hours are collected by the Administration Office and tallied each term. The Finance Office then credits off the appropriate amounts for each family.

In this way, the College can provide flexibility for families to contribute their time, acknowledge valuable involvement in a wide range of activities, and provide an avenue for parents to reduce their fees.
