Chaplain's Corner

Leadership, Jesus Style (Servant Leadership)

"You've observed how godless rulers throw their weight around," he said, "and when people get a little power how quickly it goes to their heads. It's not going to be that way with you. Whoever wants to be great must become a servant. Whoever wants to be first among you must be your slave. That is what the Son of Man has done: He came to serve, not to be served—and then to give away his life in exchange for many who are held hostage." - Mark 10:42-45 (The Message)

Jesus turns leadership on its head, from what the world thinks leadership looks like. Great leaders are willing to give up their own advantage for the sake of others. Great leaders don't just tell people what to do but are willing to roll up their own sleeves to do what needs to be done. You cannot lead people where you are unwilling to go yourself!

At our college-wide church service on Monday, we commissioned our new Student leaders. They were challenged to not just let their badge do the talking, but to let their humble attitude do the talking. They (and all of us) were challenged to be humble servant leaders. Just like Jesus.

Victory School of Hope Vanuatu

Victory School of Hope located in Port Vila, Vanuatu is a school in the Blacksands community that was started in 2012. The school provides education for children whose families would not be able to otherwise send them to school. Victory Church and Victory Christian College have a strong partnership with this school and continue to support and assist in their growth and development.

One of the most tangible ways we have supported the School of Hope over the years has been with the provision of uniform, specifically jade polo tops. These polo tops were also our College uniform, up until a recent overhaul and update of our College uniform. Over the years we have sent over many of these polo tops for the students of Blacksands. The students wear their uniform with pride and are very appreciative of the quality, as good fabric is hard to find in Vanuatu. We are asking parents who may still have some of these polo tops stored in wardrobes at home, to please collect and send into our Administration office. All sizes welcome. We will be forwarding collected items to Vanuatu towards the end of Term One.

Visual Arts Class

Our Visual Arts class are seeking donations of newspapers. If any families have newspapers that they no longer require, can they please drop them into the Administration Office.

Christian Schools Australia Profile Survey

We want our parents to tell us what they think!

We are conducting a survey to better understand the reasons why parents choose to send their children to our school. The Christian Schools Community Profile: Why parents choose Christian Schools survey is offered by Christian Schools Australia. It will be conducted amongst all families with children enrolled in participating Christian schools. It is designed to assist schools in gaining an understanding of parents' choice of school, their satisfaction with their children's learning, their engagement in the school community and their general background. Our school will use the survey results to help gain a better understanding of our community, to inform and direct future school planning and improvement strategies.

All families will be invited to participate in the survey. The survey will be conducted **online** and will only take **20 minutes** to complete. The survey can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones.

All responses to the survey are anonymous. The survey will be conducted from **Monday 8 March to Thursday 1 April 2021**. A link to the survey will be emailed out to families on Tuesday 9th March, due to Monday being a public holiday.

Please do not hesitate to contact Felicity via felicitychester@vcc.vic.edu.au if you have any general queries about the survey.

Students in Focus

Student Birthdays

Happy Birthday to all students who celebrated their birthday this week!

Jax Anderson, Tayla Arceri, Raphael Hanna, Delilah Hawkins, Christopher Hodgson, Amber L'Estrange, Ryland Morton and Zachary Suter.

Year 8 Eureka Excursion

On Thursday 11th February, Year Eight students ventured forth to Ballarat to learn about the Eureka Stockade. We had a wonderful time! Some of the things we learnt on our trip were the Eureka flag and its vault; the histories of some of the people from that time; the Memorials; and the screen room where we learnt about the development and progressions on the Eureka stockade and the battle that took place. After that we headed to the park at Lake Wendouree for lunch, ice cream and a play at the giant playground. – Georgia Hicks and Damien Arnott, Year Eight.

Year 3/4 DigiTech Incursion

On Friday 19th February, students in Year Three/Four participated in a coding and robotics incursion run by The Discovery Science & Technology Centre. The students were introduced to Bee Bots and Spheros and enjoyed coding different pathways for them to travel.

Year 7 Homeroom Day

The Year Seven students spent a fantastic day together last Friday- starting with a great cooked breakfast in the upper area. The weather was perfect for an Amazing race through the White Hills botanical gardens before swimming at the White Hills pool. A great time was had by all, allowing relationships to be built outside the classroom.

Term One Church Service

On Monday afternoon, our students and staff came together for our Term One Church Service. It was so great to have the entire school assembled together for the first time in 12 months (due to COVID-19). The service was also live streamed to parents at home. The Church Service was a great opportunity to worship God together as our Secondary Chapel Band lead us in song. Our new School Captains, Samrath Tiwari and Charlotte Fredericks, introduced themselves and delivered an encouragement to the school community to spur us on in 2021. Principal Mrs Anne Marie Rodgers, accompanied by staff members, took the stage to commission our 2021 Student Leaders: House Captains, SRC Representatives, Prefects and Student Chaplains. The student leaders were given their new badges and then our School Chaplain Steve Emonson prayed a commissioning prayer. We concluded by listening to an inspiring message about "Leadership, Jesus Style". A big thank you to all who participated in making it a great church service together!

Year 10 Outdoor Ed Meal Prep Class

Earlier this week, the Year Ten Outdoor Education students put their cooking skills to the test by cooking up the best meal they could using a Trangia (Methylated Fuel Stove). Prior to the lesson, students needed to research and plan a meal that could cook while on an overnight hike. It was great to see the students create solutions to problems, share with each other and connect while cooking a warm & hearty meal. The food tasted great too!

Secondary Swimming Carnival

The VCC Secondary Swimming Carnival took place on Tuesday 23rd February, with all secondary students bussed to the Aquatic Center early that morning. The weather was kind, and the day was full of sun and smiles! House spirit was evident in the coloured sunscreen and costumes. We finished the day with novelty events such as hungry hippos and bomb and dive competitions, to calm the nerves before the winners of the day were announced. In the end, Hewitt came out on top, with McCabe in second place and Rowe in third place. Congratulations to all the houses on their hard work and participation throughout the day. Thank you too to all the teachers (especially Miss Stephen) for their hard work and parents who came and supported us, along with the Aquatic Centre for hosting us. - Arwen Fetherstonhaugh, Secondary Hewitt House Captain

Primary Swimming Carnival

Wow! So much excitement. While the students in Years Three to Six raced, Year One and Two had a splash of fun. Doing games and activities in the pool, at the same time as earning House points for participation. There was excitement and nervousness as the students lined up for their swimming events. Lots of noise as children went to the side of the pool to cheer their House further on to the win. Along with all the pool excitement, there were some wonderful, wild costumes, with people decked out in their House colours. From tutus to pyjamas, big hats and bandanas, everyone loved dressing up, in the weirdest and wackiest way they could. It was very close but coming in for the win was the greenest house of them all, McCabe. Following close behind by thirty points was the red house Rowe, then our blue house Hewitt. Altogether, everyone had a great time, in the pool and out. With ribbons handed out and lots of people doing their best, we can't wait for what next year's carnival will bring! Well done McCabe, and great effort Rowe and Hewitt! - Porsha Pryse, Primary Rowe House Captain

Hookin2Hockey

Our Year One – Four students enjoyed participating in the Hookin2Hockey program for PE today. They had fun learning the skills and playing some Hockey games.

Guiding children's growth

Enriching Outside School Hours Experiences

At Camp Australia we guide children's growth before school, after school and on their holidays. Our engaged educators foster a safe, inclusive environment where the children can relax, have fun and grow.

Enriching and Tailored Programs

Every experience with Camp Australia is tailored to the unique children in our service. Underpinning these activities is Camp Australia's approach – the CA Way. Supported by frameworks such as My Time Our Place and The National Quality Standards, the CA Way is a structured approach to bringing programs to life – resulting in positive childhood experiences for children, and their subsequent learning outcomes.

To us, OSHC is a deliberate environment to guide children's growth.

Every session offers children the choice between different experiences including Sports, Construction, Art and Craft, Homework, Mindfulness and Games.

At Your OSHC, each term we also have at least one feature week like National Science Week, Your Creative Kids art week or National Recycling Week, and every holiday is a new mission at Rocketeers with showcase activities that will excite your child.

To find out more, speak to the Coordinator at your service who will be happy to take you through the detailed program for the service and answer any questions you may have.

For more information about the fees and times at your service you can also visit campaustalia.com.au and search for your school's service page.

Food at Your OSHC and Rocketeers

Camp Australia provides children with a yummy, nutritious breakfast to make sure they start their day the right way, and a healthy and tasty afternoon snack to fuel young minds. As we cater to the likes and needs (dietary, religious and other) of the children in our service, every menu is different.

We're also passionate about cooking ensuring that, where possible, we try to incorporate at least 2 cooking experiences into our programs every week.

ROCKETEERS

Extraordinary Holiday Adventures

The holidays are a child's time and Rocketeers is a space for children to escape the ordinary and experience the extraordinary during their school holidays.

Every school holiday break is a new mission for children to embark upon. Directed by the children, informed by family feedback and designed by our dedicated holiday crew – no two days

are the same with Rocketeers, with each day of the mission encountering new and exciting adventures that children love.

The Rocketeers experience is all about variety. Any given day could see your child competing in a sport carnival, cooking up a storm, experimenting with science and getting hands-on with construction.

To attend, your child doesn't need to be a student at the school where we operate. Visit campaustalia.com.au to find a Rocketeers location near you.

What is OSHC?

OSHC stands for Outside School Hours Care. An OSHC service provides education and care for primary school-age children (generally aged 5 to 12 years) outside school hours and during school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

At Camp Australia, our vision is 'To support families in achieving their dreams' and to do that we take a unique approach to OSHC based on over 30 years of experience.

Tailored programs that children love

Our passionate educators observe and engage your child when designing the experiences they can expect in our service. Our tailored programs provide enrichment and enjoyment, and are centred around learning outcomes.

OSHC is a great place for your child to meet new friends and bond over shared interests. We design programs that bring children together so they can connect and grow outside school hours.

At Camp Australia, we understand that term time and holidays are two very different times in a child's year, so we have made a clear distinction in our service offerings.

Your OSHC by Camp Australia provides enriching experiences for children during term – before school, after school and on pupil free days. At Your OSHC we give children a supportive space to continue their development, build confidence and socialise with their friends.

Rocketeers by Camp Australia takes children on extraordinary adventures during their school holidays. The holidays are a child's time, and our exciting and varied Rocketeers programs ensure that your child has the best school holidays.

The most engaged Educators in OSHC

Our educators are passionate about inspiring children. Supported by a national team of specialists, they focus on providing a safe environment where children can learn, play and connect.

Encouraged to bring each of their own skillsets and passions into their services, they provide a stimulating and tailored experience.

Easy, hassle-free care

Camp Australia's flexibility provides families with care, how and when you need it. Your OSHC Before School Care starts early in the morning, and After School Care goes into the evening and our Rocketeers school holiday programs run all day – so you can work around your life schedule.

Your OSHC.

OSHC that inspires.

Every program is tailored to the likes and interests of each child in our service. Our educators design experiences that will inspire your child's confidence, independence and imagination.

At Your OSHC, we provide enriching experiences that bookend your child's school day.

In any one week, children could be participating in science experiments, active play, creative expression and more – we believe in learning through experience so that each child can grow into who they want to be.

Registration is FREE!

To attend our care, families must register their child.

Why? Registering your child means we have all the information we need to safely care for them. So, we recommend all families to register an account with us. That way, if you ever need us, you just have to book a session, as we already have all the documentation we need from you.

To register, visit campaustalia.com.au. When starting your registration process, please consider:

- Do you have a Customer Reference Number (CRN) from the Department of Human Services?
- Does your child have any medical certificates/documents?
- Medical information – do you have details of your family doctor?
- Do you have any Court Order documents?

Also ensure:

- You have your payment details at hand
- You have your Child Immunisation Certificates ready to upload

But don't worry, you can always resume your saved registration at a time that suits you.

We recommend to always book in advance.

To secure your children's spot, we encourage you to make your bookings in advance. As we operate a childcare service governed by the Education and Care National Law and Regulations, we can only operate our services within Educator to child ratios and licensed space. The more notice we have on bookings, the better able we are to staff the service to meet your needs.

It is easy to make and manage your bookings 24/7 through our Parent Portal or Parent Portal smartphone app. Simply log onto p.campaustalia.com.au or head over to your native app store and search for Camp Australia.

Child Care Subsidy

Did you know you can reduce the cost of care with a Government subsidy?

We strongly recommend you apply for the Child Care Subsidy (CCS) to determine whether you're eligible. Your eligibility for the subsidy is determined by:

- Your family's annual adjusted taxable income
- An activity test
- The type of childcare service

To find out if you are eligible, simply log into MyGov and complete your Child Care Subsidy Assessment.
